

February

newsletter

February is one of the coldest months of the year, but hopefully with all the love we share at preschool it will feel hot hot hot. Within the next month, we will feel cupid's presence and to add to the love, some other people will be visiting us too: clowns, magicians, juggler etc... This February is all about the love of the circus!!!!

Happy
Valentine's
Day

On Thursday February 11th and Friday February 12th we will celebrate

Valentine's Day at preschool. You are

welcome to come dressed in red, pink, purple or white for that special day. We'll have special games and little surprises for everyone. Your children are allowed to bring valentines for all of their friends and we'll take care of distributing them.

Our preschool will be closed on Monday February 15th for Family Day, you can have a look at the link below if you want some ideas of what to do on that special day.

Preschool will be also closed on Thursday February 25th and Friday February 26th for the teacher convention. School will resume as usual on Monday the 29th.

Our open house will take place on Wednesday February 24th from 6pm to 8 pm. You can spread the word with all of your

friends/coworkers/relatives who have a 3 or 4 year old child. At the same date new students will be able to register for the coming year. If your child will attend our preschool again next year, don't forget to

register them before the open house if you want to be sure to have your favourite class. As alumni, you have priority but after the 24th it will be first arrive, first serve.

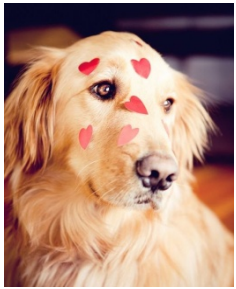

to all our volunteers last January. This month Melanie Swan will do the laundry, Shaheera and Eden will make the playdough and Chandra Johner will take care of the recycle.

On Thursday February 18th we will receive a really special person in our classroom. Choo Choo the clown will come here especially for us. For the first part he will perform a comedy magic show

and after he will sculpt a special balloon for each of our little clowns. If you want your child to come to that special activity please sign up on the sheet in the hallway and check the little box if you want to volunteer!!!

We will be meeting near the Sea life Caverns. ** Please go to the washroom
