4 Cats Art Studio Splatter Party

23 Akins Dr, St Albert

Wednesday Nov.15th- A.M- 9:30am-11:00am/ PM-1:00pm-2:30p.m.

For this special fieldtrip, **you need to be dressed in clothes that can be painted on from head to toe.** They have crocs there, but not enough for everyone, so if you have your own shoes, or sandals that can be painted on, bring them! They will have paint everywhere!

Since we will be busy painting, there will be no time for snack-so **no snacks!!!** Feed the children before and please bring them to the potty before as limited washroom.

Parents are responsible to pick-up and drop off the children at the time indicated!!! So please do not come late or drop off late. We are very busy artists and we have things to do. *Any questions, ask Mme Sarah.

If you signed up for our November toy wash, you have to be here at 6pm on Wednesday November 15th. We wish you a blast for that incredible night! Habone Abdi will be in charge of instructing everyone. Thank you Habone.

Christmas Silent Auction

At the Christmas concert (9:00am-11:00am, FRIDAY, DEC.22nd), you'll have the chance to bid on great items through our own silent auction. 100% of the funds goes towards our school. In the past we have had Telus tickets, gift certificates to restaurants, Valley zoo tickets, Citadel tickets, massage certificates, various baskets and more. For this year, a list of items will be sent home just prior to the concert so you can prepare your pocketbook or your cheque book if you are interested. Cheques payable to Grandin Prescolaire.

How can you help? If you are working for a company or you know someone who owns a company and would like to participate in this fundraiser by donating items for the baskets or even monies for our school. Let us know and we will give you a formal letter that you can present them.

The companies who provide us items for our baskets will be thanked at the concert, our December monthly newsletter and on our website for December.

My Child Progress Update.

Our Classroom is always open for meetings, discussions about children. Sometimes though, when you have 10-15 children to say good-bye, there isn't time to give feedback on each child. So if you would like to book an appointment in November with Mme. Sarah to have a sit-down (10 minute meeting about your child), we can. 😊 Again, this is not a requirement. Only giving the parents who may feel they need more feedback an opportunity to get some. As well, we are always open for suggestions to make the program a better one. 😊

To all of our October Volunteers! This month Andrea Boehm will be in charge of laundry and Recycling and Corissa Wing will be in charge of Playdough. Thank-you!!

“Little Artist Month”

This month we are going to explore many different types of Art forms, from pointillism, abstract expressionism, pop art, impressionism using various mediums and objects, different paints and eventually ourselves, head-to toe at our fieldtrip.

Song of the month: rouge, orange, jaune, rouge, orange, jaune, blue et vert, blue et vert, violet, violet, arc en ciel, arc en ciel....(to the tune of “Are you sleeping?”)
