Merici

To all our March volunteers. This month, Dana Robinson will do the laundry, Yesneira Acosta will clean up our playground, Remi Akinfenwa will bring us playdough and Adiam Kidane will take care of our recycling.

Field Trip

At the Aviation Museum!!!

This fieldtrip will take place on Thursday April 28th. You are all welcome to sign up for this wonderful trip into the aviation world. ☺ You can choose to be part of our morning group (10 am from 11 am) or be part on our afternoon group (1pm to 2 pm). The aviation museum is situated at 11410 Kingsway NW. You are responsible to drop off and pick up your child on time. You don't need to bring any snacks or backpacks, only your enthusiasm. If you want to be a volunteer, please just check the box beside your name on our signup sheet (we will need 7 parents in am and 7 in pm). We are looking forward to see you there!

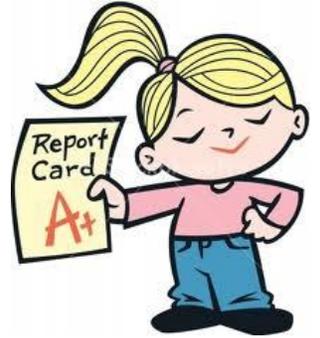

On Friday 22th it will be Earth Day. But here at Grandin Précolaire, we have decided to transform that special day into an Earth Week. So from the 18th until the 22nd we will

try to go everyday on a walk and make sure the streets around our school are clean. So please try to have the appropriate clothes for the weather.

We hope you will be happy to know that by the end of April you will have the pleasure to receive your child's report card 😊

Save the Date: May 24th

We are attempting a very special fieldtrip to celebrate both Mother's and Father's day. We want to go swimming with everyone from the preschool to Don Wheaton YMCA from 9:45 a.m.-11:30a.m.ONLY. However, in order to attempt this we need 1 adult for every 3 children. Therefore, we will need lots of volunteers (both mom's and dad's). We will have the sign-up sheet soon.

“Fly attendant needed”

We are really lucky to have a class that is so multicultural. This is why we should talk about our cultural traditions with each other. If you're interested to share with us your customs or traditional food, book a time with a teacher and come visit us 😊

Infos d'

It is April already, the days are now longer and we have started to think about our summer vacation! But there is no need to wait until July for going somewhere. We can do it now with our flying around the world theme this month.
